Art Unit: ~~1046~~ 1711

1. A response (to the non-final rejection of Sep 06, 2002) has been filed on Sep 25, 2003.
2. Claims under examination are 1-13.
3. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
4. Claims 1-13 are rejected under 35 U.S.C. 103(a) as being unpatentable over Merrill (USP 5377760) in view of Messenger (USP 4579668) or Parsons (USP 2119829) further in view of Clampitt et al (USP 38458322).

Please refer to earlier office actions (of Sep 06, 2002 item 4 and of May 02, 2000, item 4) for this rejection.

5. Applicant's arguments filed Sep 25, 2003 have been fully considered but they are not persuasive.

Applicant's reference (on page 2 of this response) to the "dry mixture" issue in application serial number 09/307544 is noted.

On page 4, the applicant's argument that "motivation to combine above cited references is lacking" is not agreed with. It appears that the applicant is considering only a limited disclosure of Clampitt. Clampitt in col. 8, lines 21-25 does suggest to one of ordinary skill in the art to prepare a dry mixture. It is improper to ignore this teaching of Clampitt. Motivation based on this specific teaching has been already set forth in office actions.

Applicant's arguments against the said rejection are therefore not persuasive.

Applicant on page 7, has pointed out to IDS filed on Oct. 08, 1999, Mar 31,

Art Unit: 1836 1711

1998 and Apr 23, 1998. No PTO-1449 forms have been filed in this application for examiner to initial. Hence the references cited on those IDS forms cannot be made of record.

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Umakant k. Rajguru whose telephone number is 571-272-1077. The examiner can normally be reached on Monday-Friday and 9:30a.m-6:00p.m.
